

Enefit's public electric vehicle charging network campaign 'Charge your electric car with Enefit during the holiday period and enter the draw for charging credit'

From December 1, 2025, to December 28, 2025, Enefit is running a customer campaign where all users who register at enefit.ee/ev and charge their electric vehicle at an Enefit public charging point at least twice during the campaign period will be entered into a weekly draw for €50 public charging credit.

Participation is easy – register at enefit.ee/ev, charge your electric car at an Enefit public charging point at least twice during the campaign period, and you're in the draw!

Campaign terms and conditions:

1. The campaign is organised by Enefit AS, registry code 16130213, registered address Lelle 22, 11318 Tallinn (hereinafter: **campaign organiser**); phone 777 4040, email teenindus@energia.ee.
2. The campaign will run from 1 December 2025 to 28 December 2025.
3. The campaign is carried out in the Republic of Estonia.
4. The campaign organiser establishes the procedure for conducting the campaign in these rules. All decisions made by the campaign organiser during the campaign are final and binding on all participants.
5. The value of the campaign prize fund is €200.
6. As part of the campaign, a total of 4 (four) winners will be drawn from among all participants, each of whom will receive €50 (fifty euros) worth of Enefit public electric vehicle charging credit (hereinafter: the **prize**), which can be used to pay for services in Enefit's public electric vehicle charging network.
7. All private individuals who meet the following criteria automatically participate in the campaign:
 - 7.1. customers who have registered for the campaign, registration link: enefit.ee/ev;
 - 7.2. are registered users of the Enefit public charging network;
 - 7.3. use the Enefit public charging network at least 2 (two) times during the period 1.12.2025–28.12.2025;
 - 7.4. have no debts to the campaign organiser as of the date of the draw.
8. The winners of the campaign will be drawn by the campaign organiser on four occasions: 8 December 2025, 15 December 2025, 22 December 2025 and 29 December 2025. On each of the above-mentioned dates, 1 (one) winner will be drawn who, by that date, has charged at least 2 (two) times since 1 December 2025.
9. The winners of the campaign are drawn by the campaign organiser using a random generator (random.org application).
10. Each participant can win only once. If the same participant is selected more than once, a new winner will be drawn.
11. The prize is awarded no later than 30 days after the end of the campaign.
12. The winner will be contacted personally to arrange delivery of the prize.
13. If the winner cannot be contacted within 30 days after the end of the campaign, the campaign organiser reserves the right to withhold the prize.
14. The value of the prize will not be paid out in cash or exchanged for any other item or service.
15. The campaign organiser assumes all responsibility for fulfilling all legal obligations related to the awarding of prizes.
16. The campaign organiser reserves the right to make changes or clarifications to the campaign terms and conditions and/or to cancel the campaign, with campaign participants being notified immediately on the homepage of the campaign organiser at www.enefitvoltage.com. Any changes, clarifications and/or the cancellation of the campaign are deemed communicated to

the participants from the moment the relevant notice is posted on the homepage of the campaign organiser.

17. Additional information about the campaign is available by email at info@enefitvoltage.com.
18. Complaints related to the campaign must be sent by email to info@enefitvoltage.com. The campaign organiser responds to complaints related to the campaign within ten working days of receipt of a written complaint.
19. All disputes related to the campaign are resolved in accordance with the laws of the Republic of Estonia in force during the campaign.
20. Personal data is processed in accordance with Enefit's principles for processing customer data.
